

The Most Complete Partner in Mold Technologies

The DME line of mold components includes thousands of proven and reliable, low-cost, high-quality products from slide action and mold cooling items to innovative solutions for molding undercuts and increasing mold capacity.

Slide Action Components

- Slide Retainers
- Angle Pins & Angle Pin Inserts
- Wear Plates & Wear Ways
- Gib Assemblies
- Versa-Slide Standard Slides
- Hydraulic Locking Core Pull Cylinders

Molding Undercuts

- UniLifter Systems
- VectorForm Lifter Systems
- Hydraulic Unscrewing Device
- Collapsible Cores
 - DT Series; DoveTail
 - RT Series ; Standard and Mini
- Expandable Cavities
 - Standard Expandable Cavities
 - Custom Expandable Cavities

Plate and Pin Control

- Helical Gear Stack Mold Systems
- 2-Stage Ejectors
- Internal Latch Locks
- External Latch Locks
- Accelerated Ejectors
- Jiffy-Latch-Loks and Pullers
- Mold Counters
 - Counterview
 - CVe
- Toggle Lock
- Early Ejector Couplings
- Friction Puller
- Limit Switches
 - Liquid Resistant
 - Standard
 - High Temperature
 - Global
- Interlocks
 - IN2 Interlocks
 - Straight-Side
 - Parting Line
 - Tapered (round & rectangle)
 - Black & Gold (top & side)
- Mold Straps

Cavity and Core

- Mold Dating Inserts
 - Dual-Ring
 - Indexable
 - Front Removable
- Recycling Inserts
- Sintered Vents
- Air Poppet Valves
- Cashew Gate Inserts
- Runner Shut-Off Inserts

Mold Cooling

- Jiffy-Tite Connectors
- Jiffy-Matic, Jiffy-Lok Connectors
- Jiffy-Tite Connector Seals
- Jiffy-Tite and Jiffy-Matic Coolant Bridges
- Jiffy-Tite Cascade Water Junctions
- MoldBasic Hose Connectors
 - Plugs
 - Extension Plugs
 - Connectors
 - Sockets
 - Elbows
 - Seals
- Bubbler Tubes and Brass Diverting Plugs & Rods
- Brass Pressure Plugs
- Turbo Flow Plastic Baffles
- Heat Pipes

The Most Complete Partner in Mold Technologies

Mold Components

- Guide Pins
 - Shoulder
 - Straight
- Bushings
 - Shoulder
 - Straight
- Bushings (cont.)
 - Bronze Plated
 - Solid Bronze
 - Guided Ejection
 - Self-Lubricating
- Support Pillars
- Stop Pins
- Sprue Bushings
- Locating Rings
- Tubular Dowels
- Centering Bushings

Pins, Sleeves and Blades (Inch, DIN, JIS)

- EX Type Ejector Pins
 - Straight
 - Shoulder
 - Keyed
- THX Type Ejector Pins
 - Straight
 - Keyed
- Ejector Sleeves
 - Thinwall & Sleeve Extensions,
 - Nitrided O.D.
 - Nitrided O.D. & I.D.
- Ejector Blades
- Core Pins
 - Medium Hardness
 - High Hardness
 - Performance High Conductivity
- Core Pin Retainers
- Return Pins
- Sprue Puller Pins
- Custom Pins

Mold Assembly

- Socket Head Cap Screws
- Lock Washers
- Socket Head Stripper Bolts
- Flat Head Screws
- Stop Disks
- Hex Keys & Kits
- Set Screws
 - Spring Loaded
 - w/ Flat Point (Grub Screws)
 - w Dog Point (Allen Head)
- Dowel Pins
- Dowels with Internal Threads
- Tubular Dowels
- Washer/Tubular Dowel
- Springs
 - Medium Duty (blue)
 - Medium Heavy Duty (red)
 - Heavy Duty (gold)
 - Extra Heavy Duty (green)
- Belleville Washers (disc springs)
- Hoist Rings
- Lifting Rings
